Special Projects

Local Economic Development Initiative

The NCCF Local Economic Development (LED) Initiative recognizes the essential need for private sector leadership in the region. The intent is to provide this leadership. This initiative includes advocacy and coalition building as well as serving as a convener of meetings, events and other activities among stakeholders.

Project BICEP

(Building Institutional Capacity & Engaging Partnerships)
Project BICEP supports capacity building for the development of local nonprofit organizations allowing them to realize their missions and achieve greater community impact.
